

How to Register for the USA Ultimate Day Camps

We hope this document will make the registration process easier. If you have questions about completing payment for the camp after you have already registered your camp for camp, then I recommend going directly to step six on page four.

1. Make sure your camper has a free USA Ultimate username and password. You can sign up for a USA Ultimate username here, play.usultimate.org/members/login, with an email address that is unique to the participant and is not shared with another USA Ultimate username.

*A USA Ultimate username and password may have been created for your camper, if he/she participated in the camp previously. If you are uncertain of your camper's username and password or having difficulty with the process, please contact USA Ultimate Youth and Education Programs Coordinator Sarah Powers at sarah@hq.usultimate.org or 719-219-8332 x133.

Welcome to the USA Ultimate user account system!

6. If are having difficulty completing the payment for the camp, then you will need to repeat steps three through five. When you make it to step five, you will see a 'Pay Now' button instead of the 'Register' button next to the camp you have already registered your camper for. Click 'Pay Now', so you can be taken to the PayPal payment page and complete the payment. You will receive an email from PayPal, once you have completed the payment.

If you still have difficulties completing the payment, please feel free to call Sarah at 719-219-8322 x133 to complete the payment over the phone.
