WELCOME

On behalf of USA Ultimate, Minnesota Youth Ultimate and the Minnesota Ultimate community, I welcome you to the 11th-annual USA Ultimate Youth Club Championships.

This year, we have over 70 teams in five divisions from about 20 states continuing the growth that has always been a part of YCC. You should expect to see the best of youth ultimate.

YCC takes place at the National Sports Center in Blaine, Minn. NSC is one of the largest sports facilities in the world and continues to grow. Ultimate is played here every summer by TCUL, the local adult league, and Minnesota Youth Ultimate holds its state championship here in early June.

The Friday night social event will be in the Schwan Center at NSC and will feature food, a swap meet and other excitements. Traditionally, we organize an exhibition game between coaches which is always very popular.

Saturday evening features a mixed club game between local teams Drag'n Thrust and Bird. This isn't just an exhibition; it's a sanctioned game that counts toward the rankings. It should be very exciting.

The Twin Cities of Minneapolis and St. Paul are home to many major and minor league sports teams including Minnesota United FC which plays in the stadium by the Schwan Center. For the ultimate shopper, the Mall of America is in Bloomington, Minn., not far from the Minneapolis/St. Paul International Airport.

YCC only happens because LOTS of people volunteer their time. They will be keeping score, running the social events and performing many other tasks around the fields. Be sure to acknowledge their hard work. When you see a volunteer, say "Thank you!"

Have a great tournament!

COMPETITION RULES

- USA Ultimate Official Rules of Ultimate – 11th Edition will be used with the following additions:
 - End zone size – End zone length will be shortened to 20 yards.
 - Contact Call – If contact occurs between the thrower and marker that would constitute a foul under XVI.H.3.a but the thrower does not release the disc, “contact” may be called. Play does not stop, and the marker resumes the stall count at “one.” Other than resetting the stall count to “one” after the first instance, the “contact” call is treated as any other marking violation. The marker may contest the “contact” call by calling “violation,” which stops play. If the thrower calls “contact” after beginning the throwing motion and subsequently releases the disc, it is treated as if the thrower called “foul.”
- All games to 13, point cap at 15 except the following which will play to 11 with a point cap of 13:
 - U-19 Boys Pool A
 - U-19 Girls Pool B
 - U-19 Mixed Pool B
 - U-16 Boys Pool B
- Halftime is 5 minutes.
- Each team has two timeouts per half.
- Regardless of how many timeouts a team has used before overtime, during overtime, each team has one timeout.
- Overtime: a game is in overtime if tied at one point less than original game total (e.g., in a game to 13 goals, overtime occurs when the score reaches 12-12).
- Soft time caps will not be used.
- Hard time cap goes on at end of round time on schedule. Game is over at the end of the point in progress, unless tied. If tied, play one more point.
- The cap does not affect timeouts.

ATLANTA ATLIENS

ATLANTA, GA

Captains: Daniel Sperling, Eric Sjostrom, Jacques Perivier

Coaches: Matthew Knowles, Tim Brady, Chris Goodson

With a team name inspired by our hometown Outkast, it's probably no surprise that we're gonna throw our discs in the air, and huck it like we just don't care; and if you like marks and bids and all our spirit, everybody let me hear you say Oh-Ye-Yer! But enough about our game plan. With finishes of first and third the past two years, a 2015 Southeast All-Freshman

(along with many future candidates), and a combined 118 years of ultimate experience, these 22 ATLiens are feeling well-prepared for another run at the YCC title in 2015. It's time for these Big Boiz to eat, "and now you bout to see these Southern players serve." [mic drop]

BAY AREA BEAR FLAGGERS

BAY AREA, CA

Website: bayareadisc.org

Captains: Eric Hytonen, Phillip Yang, Victor Kao

Head Coach: Sean Sommerville

Assistant Coach: Steve Moore

YCC 2015 will mark a milestone year with Bay Area Disc bringing four teams to nationals, including the first-ever girls' team! It is the culmination of a great year-round season full of competitions including camps, leagues, tournaments like King of Bongo and Spaghetti Western, and state and

regional championships.

In the summer of 1846, a small band of rebels won a bloodless coup and took over California. The Bear Flaggers fought with passion and resolve, united in their belief that they would achieve something great not only for themselves, but for all. Now, exactly 169 years after our namesake, the Bear Flaggers head out to Minnesota with the same drive and intensity. The Bay Area has poured out all of its top players to make this inaugural U-19 open team. Make no mistake, the Bear and the Star will make their mark.

BUDA

BOSTON, MA

Website: buda.org/yp/yc

Coaches: Anne Westcott, Dan Hourigan

buda

Massachusetts has a rich youth ultimate history, and BUDA is thrilled to continue that tradition by sending teams to all three divisions of U-19 YCC competition. Players from all three teams have spent the last year playing with and against each other in various youth leagues across Mas-

sachusetts. The caliber of the BUDA players is high - evidenced by previous YCC championships and finals appearances, as well as several players who are nationally and internationally competitive - but the level of camaraderie is also high as most players know each other off the field as well as on it, and non-ultimate team activities have become a regular part of the BUDA YCC experience. BUDA's coaches, chaperones and team leaders are all very proud of the young adults coming out of the program, and the whole BUDA family is looking forward to a fantastic YCC experience in 2015!

CINCINNATI FLYING PIG

CINCINNATI, OH

Website: cincyselectultimate.com

Captains: Craig Kaiser, Joe White, Evan Wethington

Coaches: Joel Houmes, Ian Collins

A young pig escapes from a Cincinnati slaughter house and starts a career herding discs on an Ohio farm. At a sheep-herding competition, Babe meets the discs that he will be herding, but they ignore Pig's attempts to speak with them. As Farmer Hoggett is criticized by the bemused judges and ridiculed by the public for using a pig instead of a dog, Rex quickly runs back to the farm to ask the sheep what to do. The sheep give him a secret password, and he returns to the competition in time and conveys the password to Pig. When Pig recites the password to the discs, they fly flawlessly through the air, and he is wildly acclaimed by the crowd and unanimously given the highest score. Pig sits next to Farmer Hoggett, who praises him in his understated way by saying, "That'll do, Pig. That'll do."

Captains: Mo Scott, Will Lohre, James Ruybal

Coaches: Phil Lohre, Jonathan Monforti

The Colorado Cutthroat is proud to represent the thriving youth ultimate scene in Colorado's Front Range! The team name comes from a fast-swimming, cold-water-loving native trout, who must work hard and rely on its wiles to survive against aggressive competition. Our lads competed for eight different local high schools and are the best of our summer youth leagues. With support from the Wright Life, Five Ultimate and Altitude Youth Ultimate, we strive to play great ultimate at the highest level.

INDIANA INFERNO

INDIANA

Website: indianaultimatefoundation.com

Captains: Gabe Wray, David Miller

Coaches: John Rempel, Levi Jacobs

2015 is Inferno's third year as a youth development club and our third year of attending YCC. We feature many players from regional powerhouse Center Grove and state runner-up Lawrence, as well as players from Martinsville, Carmel, Perry Meridian, Fishers and Brebeuf. The Indiana Ultimate Foundation, our state's local affiliate, has taken big steps

to develop stronger high school and youth club seasons and programs in Indiana, and an increased depth this year is evident as a result. Inferno is working to develop D lines with intense, aggressive play and an O line with smooth, smart, decision making. Our most experienced players include Connor Halloran, Phillip Simcox, Gabe Wray and Eric Hannan, four seniors who have worked hard to peak at the end of their high school careers while representing their state.

IOWA GOLIATH

IOWA

Captains: Bryan Hall, Jack Swanson

Coaches: Jacob Grund, Eric Hart

GOLIATH

Making its way onto the ultimate scene for the first time in 2012, Iowa YCC is back to compete with the best.

The creation of this team coincided with the development of the High School Ultimate Spring League, which allowed for the growth of ultimate in central Iowa. After taking a year off from Youth Club Championships, the players are ecstatic to get back at it. Led by captains Jack Swanson and Bryan Hall, as well as Ames High captain Peter Miller, this team is looking forward to the competition that other teams have to show. While we may have a small roster, we believe that this allows us to build our chemistry and maximize the talent of each individual player. The team is comprised of a core group of Ames Parallel players, many of whom have been playing since they were freshmen in high school.

Captains: Nathan Champoux, Caleb May, Griffin Bergers

Coaches: Jan Mueller, Sam Greenwood, Alex Russomanno

"SEMI" refers to different things, depending who you ask: the region and Great Lakes state we hail from, a nod to our automotive history, a tribe, SALT, half of whatever, the list goes on. But most of all, SEMI stands for hard, fun, spirited ultimate and the good things that brings – friendship, sportsmanship, health, character and much more.

This is the team's second season in its young history and our second visit to YCC.

NEW YORK LITTLE PoNY

NEW YORK, NY

Coach: Dan Heijmen

Little PoNY, the DiscNY YCC boys' U-19 team, is a diverse group of hard-working players. New York City offers challenges including limited field space, long trips on public transit for practice and hectic schedules of our players and coaches. YCC offers a chance for the top male players

in the city to up their game and compete at a higher level. Some of our team members are musicians, some enjoy photography or chess, and others are involved in sports year round; the mix of interests and strengths make it a stellar environment for learning, growth and competition. Youth club ultimate is in its infancy in New York, and this team includes the best players, leaders and up-and-comers who will continue to invest in and develop New York youth ultimate.

TRIANGLE AREA, NC

Captains: Ethan Cole, Corey Cox, Brian Maulucci

Coaches: Theran Riedel, Josh Greene, Jinny Eun

Carolina Sky is the second U-19 open team out of the Triangle, N.C. Facilitated through the Triangle Youth Ultimate League (TYUL), Sky was originally formed in 2013 to develop the growing number of skilled players in the Triangle. Having narrowly

missed the championship bracket in 2013, Sky was able to make it to the quarterfinals in 2014. We are extremely appreciative of the distinct lack of humidity at YCC compared to that of North Carolina. However, with the absence of Cheerwine and vinegar-containing pork barbecue, we feel that it is an even trade.

BOSTON BUDA

BOSTON, MA

Website: buda.org/yp/yc

Captains: Marissa Lerner, Valerie Willocq

Coaches: Rob Brazile, Kristen Brazile, James Milan

Massachusetts has a rich youth ultimate history, and BUDA is thrilled to continue that tradition by sending teams to all three divisions of U-19 YCC competition. Players from all three teams have spent the last year playing with and against each

other in various youth leagues across Massachusetts. The caliber of the BUDA players is high - evidenced by previous YCC championships and finals appearances, as well as several players who are nationally and internationally competitive - but the level of camaraderie is also high as most players know each other off the field as well as on it, and non-ultimate team activities have become a regular part of the BUDA YCC experience. BUDA's coaches, chaperones and team leaders are all very proud of the young adults coming out of the program, and the whole BUDA family is looking forward to a fantastic YCC experience in 2015!

U-19 GIRLS' TEAMS

CINCINNATI BELLE

CINCINNATI, OH

Captains: Emily Dorsey, Catherine Evers Smith

Coaches: David Fry, Kjersti Fry

Belle has developed great chemistry throughout the short time we have been working together. We have talented girls who are both solid and spirited players on and off the field.

In the two months before YCC, our team works hard to learn to work together as a team. We also work to make the most out of every tournament we attend through the entire season.

Cincinnati has sent a U-19 girls' team to YCC each year since 2007 and has been called Belle since 2010. This year's team is composed of girls from all areas of Cincinnati, and they focus on always having excellent spirit and intense play. They look forward to another tournament of good competition!

Coaches: Andrew Buermeyer, Patrick Buermeyer

This is Oregon Flood's third trip to Minnesota to compete in the mixed division at YCC. Oregon sent their first team back in 2008, and they were able come out on top and win the championship. However, it would take Oregon six years to get back to YCC. Enter Flood 2014. Although initially doubted

and going 2-2 on day one, Flood fought back and came from behind, and once again claimed the title in the mixed division for Oregon. Now in 2015, Flood is again ready to take the field! Flood is returning many players who played key roles in last year's success, as well as several new and talented faces, all eager to once again defend the title for Oregon!

Bring The Flood!

Cincinnati Flying Piglets; a Mighty Farrow from Porkopolis, descending up on the turf that be not gridiron nor pitch nor any other glebe; for all 70x40 coned plots are hence forth declared Our Pig Pen indeed. Least neither Pork nor Ham

nor Bacon be forsaken, Teen Phenoms them all draped in sublimation, sporting epic agility beyond reason or explanation. No lackluster shenanigans will be found in their game. Just tenacious exuberance to bid for Huck, for Floaty, for Swill [a throw that is lame]. Thy go Ho, thy go Vert, thy go diagonal cut, for our Flying Piglets it's the usual strut. What opponents expect, what the future will hold? Be you swine, be you hog, be you the boars presumably bold? Just lend us your flatball, and the truth will unfold. Swine of YCC U-16 contention, first pull in 2011, be focused on Finals Bracket twenty-four seven.

From the swamps of the Delaware Valley comes a team named after the famous Jersey Devil that lurks in the pine barrens between NJ and PA. This creature of folklore is known to be a fast-moving creature on the ground, to have bat-like wings

with the ability to fly, and to let out a spine-tingling scream. Meanwhile, our ultimate team prides itself on being one of the fastest-moving teams on the field, having the ability to fly up to get a disc and having a sideline that is deafening. We are looking forward to bringing a U-16 team for fifth year of this division in Blaine, MN.

INtensity was founded in 2015 as an expansion from Indiana's usual U-19 team, INferno. The U-16 players for INtensity mostly come from the Center Grove freshman team and their U-16 summer league, but also feature players from Lawrence and Perry Meridian. This is a small group of players who have overcome some large hurdles to ensure their opportunity to play against the best in the country and represent the youngest division of Indiana youth ultimate on the country's biggest stage. The team is named for the attitude they have displayed all year, despite often being younger and smaller than their opponents and playing with a physical intensity above their age. Key players include Alex Henderson, Dustin Baird, Cole Stettler and Caleb Sulya who you can expect to make an impact with large amounts of play time on both sides of the disc.

Seattle U-16 boys are coming into the tournament strong, following after the previous winning teams — Rebellion, Dynasty and Doomsday. This year's team descends from the mountaintops of Olympus, bestowed with the powers and knowledge of the teams that have preceded them and prepared to strike down all who stand before them. Like the Olympians from our namesake, Olympus will achieve supremacy over the titans of the tournament and take control of the universe. With thundering layouts, lightning bolt flicks and the power of the seas behind us, we seek to achieve greatness that would impress even Zeus himself.

MAKING ULTIMATE STRONGER

Our mission is to support ultimate, and good coaches are an integral part of the development of the sport.

So take a moment to appreciate the coaches. Heck, take a plenty of moments. We really can't thank them enough for the work they do!

Five Ultimate is proud to sponsor the 2015 USA Ultimate Coaching Development Program.

HEALTH AND SAFETY

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape or bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff.

If there is an injury on a field that needs medical attention, inform a field marshal, and he or she will radio to the trainers.

If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields two hours prior to game time each day. Directions to the local hospital can be found in the “Directions” section of this program.

CONCUSSIONS

EDUCATION

- USA Ultimate recommends the CDC “Heads Up Safety” program, a free one-hour online training: cdc.gov/concussion/headsup/youth.html.
- USA Ultimate’s participant waiver includes important information from the CDC regarding concussion safety: usaultimate.org/membership/usa_ultimate_membership_forms.aspx

COACHING REQUIREMENTS

- Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

REMOVAL & RETURN TO PLAY

- All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion.
 1. Remove athlete from play.
 2. Ensure athlete is evaluated by a health care professional trained in concussion diagnosis and management. Do not try to judge the seriousness of the injury yourself.
 3. If a minor, inform athlete’s parents or guardians about the known or possible concussion and give them the fact sheet on concussion.
 4. Allow athlete to return to play only with permission from an appropriate health care professional.

DOCTOR’S NOTE REQUIREMENT

If, during a USA Ultimate event, an athlete receives care at a hospital, medical clinic or doctor’s office, or is referred to a hospital or doctor by event medical staff, the athlete is barred from further competition in that event until he or she provides a doctor’s note, on letterhead or prescription pad, to event medical staff stating that the athlete is authorized to return to competition.

HEAT, NUTRITION AND HYDRATION

- Heat-related illness occurs when body cooling by evaporation is limited. Sweating depletes the body’s salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.

• Prevention and Treatment of Heat Illness

- Avoid alcohol, caffeine and carbonated beverages.
- Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase risk for heat illness. Avoid them if possible.
- Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
- Know your body – be honest! Are you fit enough to perform under current conditions?
- Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important (good sources include sports drinks, yogurt, grapefruit juice, bananas and oranges). Sodium is also important (good sources include sports drinks, vegetable juices, pretzels, nuts, cheese and crackers). After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies).
- Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
- Monitor your urine. Clear/copious = hydrated. Dark = Need water/electrolytes.
- Be sensitive to prior illness. If you've been sick, your body may be more susceptible to dehydration.
- Rest and cool down after play. Find shade, wet the skin, get in front of a fan or breeze.

SIDELINE SAFETY

- Spectators and equipment must stay at least three yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, you, etc., must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform event staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and event staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or event staff, unsafe for players, staff or spectators.

LIGHTNING GUIDELINES

- Event staff will communicate with players and spectators via PA system and through field marshals equipped with radios if there is a lightning danger. Play then will be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will use the “flash-to-bang” method to determine when to send people to shelter. By the time the flash-to-bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.

10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™

1. THE GOLDEN RULE: TREAT OTHERS AS YOU WOULD WANT TO BE TREATED.

Spirited games result from mutual respect among opponents. Assume the best of your opponent. Give him or her the benefit of a doubt. You would want the same for yourself. But if you are thick-skinned, do not assume that your opponent is. Maybe you should think of this rule as, “treat others as you would have them treat your mother.”

2. CONTROL: SOTG TAKES REAL EFFORT.

SOTG is not just some abstract principle that everyone adopts and then games run smoothly without effort. Close calls are made in tight games. Hard fouls are committed. SOTG is about how you handle yourself under pressure: how you contain your emotionality, tame your temper, and modulate your voice. If you initiate or contribute to the unraveling of spirit, the concept falls apart quickly. If you act to mend things (or at least not exacerbate the situation) by following (1) above, the game heals itself.

3. HECKLING AND TAUNTING ARE DIFFERENT.

Ultimate has a long tradition of good-natured heckling. Heckles are friendly barbs, typically from non-playing spectators. Heckling can be fun, but taunting is unspirited and wrong. Harassing remarks after an opponent's foul call or close play are NOT heckling: they are abusive taunts which create unpleasant playing conditions and often escalate to acrimonious disputes.

4. SOTG IS COMPATIBLE WITH CHAMPIONSHIP PLAY.

It is a fallacy to argue that the stakes are so important that some aspect of SOTG can be cast aside. Time and again, great teams and star players have shown that you can bring all your competitive and athletic zeal to a game without sacrificing fair play or respect for your opponent.

5. DON'T “GIVE AS YOU GOT.”

There is no “eye for an eye.” If you are wronged, you have no right to wrong someone in return. In the extreme case where you were severely mistreated, you may bring the issue up with a captain, tournament director, or even lodge a complaint with the governing body. If you retaliate in kind, however, a complaint may be filed against you. We recall point (1): treat others as you would have them treat you, not as they have treated you. In the end, you are responsible for you.

10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™ CONTINUED

6. BREATHE.

After a hard foul, close call, or disputed play, take a step back, pause, and take a deep breath. In the heat of competition, emotions run high. By giving yourself just a bit of time and space, you will gain enough perspective to compose yourself and concentrate on the facts involved in the dispute (was she in or out; did you hit his hand or the disc; did that pick affect the play). Your restraint will induce a more restrained response from your opponent. Conflagration averted, you may resume business as usual.

7. WHEN YOU DO THE RIGHT THING, PEOPLE NOTICE. When you turn the other cheek, you know you've done the right thing. You may not hear praise, there may be no standing ovation, but people do notice. Eventually, their respect for you and their appreciation of the game will grow.

8. BE GENEROUS WITH PRAISE.

Compliment an opponent on her good catch. Remark to a teammate that you admire their honesty in calling themselves out of bounds. Look players in the eye and congratulate them when you shake their hands after a game. These small acts boost spirit greatly, a large payoff for little time and effort.

9. IMPRESSIONS LINGER.

Not only does the realization that your actions will be remembered for a long time serve to curb poor behavior, it can also inspire better conduct. Many old-timers enjoy the experience of meeting an elite player who remembers their first rendezvous on the field and recalls the event in detail. A good first encounter with an impressionable young player can have considerable long term positive impact.

10. HAVE FUN.

All other things being equal, games are far more fun without the antipathy. Go hard. Play fair. Have fun.

Special thanks to Eric Zaslow and members of the 2005 Conduct Committee (Jeff Dunbar, Kate Bergeron, Eric Zaslow, Will Deaver) for the development of this document. Adopted by USA Ultimate Executive Committee, March 29, 2005.

SPIRIT AWARDS

Ultimate has traditionally relied upon the spirit of sportsmanship, which places the responsibility for fair play on the player. Highly competitive play is encouraged, but never at the expense of mutual respect among competitors, adherence to the agreed upon rules of the game, or the basic joy of play. -- 11th Edition USA Ultimate Rules of Ultimate.

INDIVIDUAL AWARDS

Teams will each be asked to nominate a player from their own team who they feel displays the highest level of Spirit. The definition of Spirit is up to each team but should include elements of sportsmanship, leadership, perseverance, fire, etc. Choose the person whose attitude you wish other people on your team would emulate and who other players off your team admire. Individual Spirit winners will receive a medal and prize disc (courtesy of DISCRAFT). Thanks to Discraft for their support of ultimate and Spirit of the Game!

TEAM AWARDS

Following every game, each team will be asked to rate its opponent using the World Flying Disc Federation's spirit scoring system.

WDFD SPIRIT SCORING (from www.wfdf.org)

The objectives of the Spirit of the Game (SOTG) scoring sheet are:

- 1) Educate players on what Spirit of the Game is.
- 2) Help teams to improve specific parts of their Spirit.
- 3) Celebrate SOTG by awarding a prize to the team that gets the highest score.

To achieve this, every team needs to score in a similar fashion. We recognize that SOTG is hard to capture exactly, and the specifics and the examples may vary by country, competition level, etc., but if players adhere to the guidelines below, the objectives of the scoring system will be achieved.

HOW TO FILL IN THE SCORES

- Filling in the scores is a team effort. This helps in educating your players too. While this might take several minutes the first few times, it will take only a minute after you get used to it.
- It is expected that teams display normal, good spirit. The system was designed in accordance with this expectation. Therefore the baseline in each category is "Good" which equals 2 Points. For each game, determine if the other team was better than, worse than, or the same as just a regular game and score accordingly.
- Focus on each question and answer that question only. Do not start with an overall score in mind and work backwards to get that score.
- There might be many times that nothing out of the ordinary occurred at a game. As such, each category should get 2 points. A final score of 10 points is considered Good Spirit.
- Give a real score that reflects the items detailed on the sheet; do not score a team because you felt the team was 'nice' or because they made a funny game in the circle.
- Do your part of the job and bring back the sheet when requested by the TD.

LOGISTICS:

- Teams will receive a sample scoring sheet explanation. Teams will also receive three blank scoring sheets, 1 for each day of competition.
- After your last round of play each day, return the scoring sheet to the score keeper of your last game or to the Information Tent at Tournament Headquarters.

SPIRIT CIRCLE

USA Ultimate has recommended post-game “spirit circles” to teams at the Youth Club Championships since 2010. It’s an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championships where they have not only done exceptionally well in each competition, but showed the international community the importance we place on respect for the game and their opponents. But American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circle. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well, and anything else that might be worth communicating...even if it’s something you think could be done better (and don’t forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counter-clockwise to slap hands with the players on the other team.

That’s it! It’s pretty simple and definitely an experience that brings teams together and puts the game and the experience in perspective. It’s all about respect for each other and the experience of bringing out the best in each other through competition. It’s also about building relationships and seeing opponents for what they really are: part of the same community that loves ultimate. Please note that this is not meant to replace other post-game traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers how it goes!

USA ULTIMATE SPIRIT OF COACHING

BACKGROUND: The role of the coach at all levels of ultimate is unique in a sport that places on-field player authority above non-player influence. As a non-player, the coach's authority must not extend to the on-field officiating process. Coaches may be faced with situations where they are able to correct the self-officiating process and ensure the correct outcome to a given play. In this situation, coaches must not interfere in the officiating process, in order to ensure that players learn and take responsibility for officiating. Coach interference in the decision-making process, even in the most egregious violations, will indicate to players that the coach – and not the players – has the ultimate responsibility for ensuring the inherent fairness of the game. Teaching players the rules and how to implement them should be done at practices or off the field. It is the coach's responsibility to ensure that the players understand their own responsibilities as players and teach players how to handle those responsibilities.

GUIDELINES:

- Coaches should introduce themselves to the other coaches prior to a game and discuss concerns. This could potentially include the level of play, the level of intensity (e.g. spiking and rushing the field), and possible modifications to the captain's clause (e.g. prohibiting zone for new teams or foot-blocking).
- Because the potential for misperception is high, spiking is prohibited at the youth level unless otherwise agreed upon by the coaches or captains. Spiking in a disrespectful manner is never acceptable at any level.
- Coaches will not make calls from the sideline or offer their opinion on a play. Coaches should encourage players to come to a resolution on their own, and if asked during a dispute, coaches may offer rules clarifications. After a dispute a coach may talk to his or her own player about the dispute and offer opinions.
- Youth coaches will make an effort to educate parents about Spirit of the Game and work to create a sideline atmosphere that respects Spirit of the Game.
- Coaches will teach and give players opportunities to practice knowledge of the rules of ultimate.
- Coaches will always exhibit respect for opposing players, other coaches and observers.
- Coaches will model Spirit of the Game at all times.

SUMMARY: The coach's goal in terms of Spirit of the Game is to create an environment where players are responsible for upholding the rules and ensuring that the outcomes of plays and games are fair.

2015 USA ULTIMATE COACHING SIDELINE ACCESS INFORMATION

During games at USA Ultimate Championship events where field access is restricted, teams with coaching staffs are required to have at least one Level-1 Certified coach or a coach who has attended the USA Ultimate Coaching Ethics Workshop in order for coaching staff to have player-level field access. All coaches must pass an NCSI background check, be current coach-level members of USA Ultimate and must read, sign and agree to abide by the USA Ultimate Coaching Code of Ethics and Spirit of Coaching Statement. All other non-player support staff with player-level or limited field access must read, sign and agree to abide by the USA Ultimate Coaching Code of Ethics and Spirit of Coaching Statement. Limits on number of coaches and other non-player support staff will be determined by specific event guidelines.

For more information on USA Ultimate's Spirit of Coaching or Coaching Certification Requirements, please contact USA Ultimate Coordinator of Youth & Education Programs Sarah Powers at sarah@hq.usultimate.org, or visit the USA Ultimate website at usultimate.org.
