2016 USA ULTIMATE NATIONAL CHAMPIONSHIPS

# WELCOME

On behalf of Ultimate Chicago, I would like to welcome you to the 2016 USA Ultimate National Championships! We are very excited to host this tournament for the first time. We know this is a big change in location from past years, but we are hopeful that this shift will strengthen our community by bringing elite ultimate to an even broader audience. Welcome to the Midwest! We hope that you have an amazing time enjoying the high-level competition and fun this weekend in Rockford.

Many hours of work by a variety of individuals went into creating this event. The Rockford Park District and Rockford Area Convention and Visitors Bureau were truly gracious in their efforts throughout the planning process. A big thank you goes to all of the volunteers, especially the lead volunteers, who have dedicated their time and efforts to making this event run smoothly. Nationals could not happen without their generosity. Lastly, I would like to especially thank Nick Povalitis and Jenny Caiozzo (Rockford Area Convention & Visitors Bureau), Scott Pilkerton (Rockford Park District) and Byron Hicks (USA Ultimate) for making my TD experience easy and delightful.

Again, welcome to the Midwest! I wish the best of luck to all of the players and coaches competing this week. I hope you enjoy your experience at Nationals.

Sincerely,

Gail Reich  
Tournament Director  
2016 USA Ultimate National Championships

On behalf of the city of Loves Park, the Rockford region and the Rockford Area Convention & Visitors Bureau (RACVB), we are honored to welcome you for the 2016 USA Ultimate National Championships.

The Rockford region has over 30 years of experience holding successful sporting events because we offer some of the greatest sports facilities in the Midwest. We know you will be impressed with recent upgrades to Mercyhealth Sportscore 2 and Wedgbury Stadium, including new synthetic turf fields (highest quality in the market today), new NCAA professional grade lighting, pathways and concessions. RACVB will collaborate with the exceptional Rockford Park District, who owns and operates this facility, to ensure a memorable four-day experience in our region.

In addition to its proximity to major markets, the Rockford region has all you need to unwind with great local food, sites and attractions, lodging and entertainment. We invite you to discover the Forest Preserves of Winnebago County or Rock Cut State Park with over 10,300 acres of woods, prairies, wetlands and rivers to explore. And be sure to relax at Anderson Japanese Gardens, one of the best gardens in the country and a great place for a healthy lunch at the in-house restaurant, Fresco. Enjoy homemade pizzas at Woodfire Brick Oven Pizza and great craft brews at Prairie Street Brewing Company in downtown Rockford, or visit one of our hundreds of other Real. Original. restaurants. Check out [gorockford.com](http://gorockford.com) for a complete list of places to eat, shop and play!

The Rockford Area Convention & Visitors Bureau, Rockford Park District and the city of Rockford have experienced and knowledgeable staff available to assist you, ensuring we will host another outstanding championship event.

Enjoy your visit, and we hope to see you again soon!

Very truly yours,

John Groh

## USA ULTIMATE TRIPLE CROWN TOUR

The USA Ultimate Triple Crown Tour is a competition structure, introduced in 2013, for the USA Ultimate club season, including the summer regular season and the fall Championship Series for the men’s, mixed and women’s divisions. Teams in this structure qualify into one of four “Flights” based on their finish in the most recent Championship Series. Qualification for the 2016 National Championships means that all participating teams have earned their way into one of the two top Flights (Pro or Elite) for 2017.

At the 2016 National Championships, the top 8 finishers will comprise the 2017 Pro Flight. Pro Flight teams will also earn bids to the 2017 U.S. Open Championships and the 2017 Pro Flight Finale. The bottom eight teams at Nationals will be placed into the Elite Flight for the 2017 Triple Crown Tour and will earn bids to the 2017 Elite-Select Challenge and 2017 Pro-Elite Challenge events.

## PLACEMENT GAMES

### Schedule Clarifications

#### Pro-Flight Qualification

# ULTIMATE IN 10 SIMPLE RULES

**1. THE FIELD:** A rectangular shape with end zones at each end. A regulation field is 70 yards by 40 yards, with end zones 25 yards deep.

**2. INITIATE PLAY:** Each point begins with both teams lining up on the front of their respective end zone line. The defense throws (“pulls”) the disc to the offense. A regulation game has seven players per team.

**3. SCORING:** Each time the offense completes a pass in the defense’s end zone, the offense scores a point. Play is initiated after each score.

**4. MOVEMENT OF THE DISC:** The disc may be advanced in any direction by completing a pass to a teammate. Players may not run with the disc. The person with the disc (“thrower”) has ten seconds to throw the disc. The defender guarding the thrower (“marker”) counts out the stall count.

**5. CHANGE OF POSSESSION:** When a pass is not completed (e.g. out of bounds, drop, block, interception), the defense immediately takes possession of the disc and becomes the offense.

**6. SUBSTITUTIONS:** Players not in the game may replace players in the game after a score and during an injury timeout.

**7. NON-CONTACT:** No physical contact is allowed between players. Picks and screens are also prohibited. A foul occurs when contact is made.

**8. FOULS:** When a player initiates contact on another player a foul occurs. When a foul disrupts possession, the play resumes as if the possession was retained. If the player committing the foul disagrees with the foul call, the play is redone.

**9. SELF-OFFICIATING:** Players are responsible for their own foul and line calls. Players resolve their own disputes.

**10. SPIRIT OF THE GAME:** Ultimate stresses sportsmanship and fair play. Competitive play is encouraged, but never at the expense of respect between players, adherence to the rules, and the basic joy of play.

# COMMON ULTIMATE TERMS

**BREAKMARK** – a throw made to other side of the field from what is being forced by the marker

**BRICK** – the spot where play may be initiated when a pull lands out of bounds, typically 15 or 20 yards from the front of the offense’s end zone and in the center of the field (yardage varies based on individual tournament rules); players have the option of making this call or taking the disc on the sideline closest to where it lands

**CALLAHAN** – a defensive score, occurs when a defender catches the disc in the end zone he or she is attacking

**CUP** – the wall of defenders that surround the thrower in a zone defense; the wall typically consists of 3 players, but variations with 2 or 4 defenders are also common

**FLICK** – forehand, thrown outside, away from the handler’s body

**FORCE** – side of the field to which throws should be contained; the marker will attempt to take away throws to one part of the field and is said to be “forcing” throws to go up in a certain direction

**GREATEST** – a jump, throw, catch combination that occurs when the disc is out-of-bounds, but a player jumps from in-bounds, catches the disc and successfully throws it back in-bounds to a teammate

**HAMMER** – an overhead throw that starts above the shoulders where the disc turns over in the air and lands upside-down

**HUCK** – a long throw

**POACH** – a defensive decision to leave a designated one-on-one matchup, usually temporarily, to clog a cutting lane or help defend a player other than the original

**PULL** – the “kick-off” of each point in which the defensive team throws the disc from their own end zone down the field toward the offensive team

**STALL** – the 10-second count for which a player is allowed to maintain possession of the disc; the opposing, defensive player must count the 10-seconds aloud; a “stall” occurs if the disc is held for more than the 10-second count

# 10 THINGS YOU SHOULD KNOW ABOUT SPIRIT OF THE GAME™

## **1. THE GOLDEN RULE: TREAT OTHERS AS YOU WOULD WANT TO BE TREATED.**

Spirited games result from mutual respect among opponents. Assume the best of your opponent. Give him or her the benefit of a doubt. You would want the same for yourself. But if you are thick-skinned, do not assume that your opponent is. Maybe you should think of this rule as, “treat others as you would have them treat your mother.”

## **2. CONTROL: SOTG TAKES REAL EFFORT.**

SOTG is not just some abstract principle that everyone adopts and then games run smoothly without effort. Close calls are made in tight games. Hard fouls are committed. SOTG is about how you handle yourself under pressure: how you contain your emotionality, tame your temper, and modulate your voice. If you initiate or contribute to the unraveling of spirit, the concept falls apart quickly. If you act to mend things (or at least not exacerbate the situation) by following (1) above, the game heals itself.

## **3. HECKLING AND TAUNTING ARE DIFFERENT.**

Ultimate has a long tradition of good-natured heckling. Heckles are friendly barbs, typically from non-playing spectators. Heckling can be fun, but taunting is unspirited and wrong. Harassing remarks after an opponent's foul call or close play are NOT heckling: they are abusive taunts which create unpleasant playing conditions and often escalate to acrimonious disputes.

## **4. SOTG IS COMPATIBLE WITH CHAMPIONSHIP PLAY.**

It is a fallacy to argue that the stakes are so important that some aspect of SOTG can be cast aside. Time and again, great teams and star players have shown that you can bring all your competitive and athletic zeal to a game without sacrificing fair play or respect for your opponent.

## **5. DON'T “GIVE AS YOU GOT.”**

There is no “eye for an eye.” If you are wronged, you have no right to wrong someone in return. In the extreme case where you were severely mistreated, you may bring the issue up with a captain, tournament director, or even lodge a complaint with the governing body. If you retaliate in kind, however, a complaint may be filed against you. We recall point (1): treat others as you would have them treat you, not as they have treated you. In the end, you are responsible for you.

## 6. BREATHE.

After a hard foul, close call, or disputed play, take a step back, pause, and take a deep breath. In the heat of competition, emotions run high. By giving yourself just a bit of time and space, you will gain enough perspective to compose yourself and concentrate on the facts involved in the dispute (was she in or out; did you hit his hand or the disc; did that pick affect the play). Your restraint will induce a more restrained response from your opponent. Conflagration averted, you may resume business as usual.

**7. WHEN YOU DO THE RIGHT THING, PEOPLE NOTICE.** When you turn the other cheek, you know you've done the right thing. You may not hear praise, there may be no standing ovation, but people do notice. Eventually, their respect for you and their appreciation of the game will grow.

## 8. BE GENEROUS WITH PRAISE.

Compliment an opponent on her good catch. Remark to a teammate that you admire their honesty in calling themselves out of bounds. Look players in the eye and congratulate them when you shake their hands after a game. These small acts boost spirit greatly, a large payoff for little time and effort.

## 9. IMPRESSIONS LINGER.

Not only does the realization that your actions will be remembered for a long time serve to curb poor behavior, it can also inspire better conduct. Many old-timers enjoy the experience of meeting an elite player who remembers their first rendezvous on the field and recalls the event in detail. A good first encounter with an impressionable young player can have considerable long term positive impact.

## 10. HAVE FUN.

All other things being equal, games are far more fun without the antipathy. Go hard. Play fair. Have fun.

## DIG

### BOSTON, MA

Coach: Tom Matthews

Captains: Tim Schoch, Mat Little, Denis Maguire

digultimate.com

@digultimate

Referencing Boston's highway megaproject, Dig was predicated on bridging the talent in New England. It is a concrete mixing of college all-stars, ex-Ironside and ex-Garuda. It is a project that has in some ways spared no expense and in other ways spared every expense. Please do not ask us how much Jeff Babbitt's time costs.

This is Dig's first year of competition, so we're a little short on history. Our favorite color is mango (the same as PoNY's). We're a team that prides itself on blue collar, hard work. And we're admittedly still under construction.

HIP is a team born from the essence of the Bennett brothers: Chris, the father; Mitch, the son; and Matt, the holy spirit. The three kings traveled from the banks of the Brazos River where they saw the town of Houston, and it was beautiful. They planted their flag in the ground, and on that spot, HIP became. The brotherhood has progressed over the years from the trash of the South Central Region to a jewel in the crown of ultimate. Although expected to get fifth in the section, through a combination of bribery and dedication to the weight room, they outperformed the predictions of all pundits. Their story is an inspiration to us all, and their legacy can never be questioned. Every time they take the field, they make America great again. My friends, my brothers, HIP HIP YAH!

@highfiveulti

Once the battleground of the "Great" Michigan-Ohio War, the Michigan/Ohio border now serves as a welcoming conduit, bringing together some of the top talent in the Great Lakes Region. After battling each other for many years on the college and club scenes, thanks to the 2015 Treaty of Versailles (Ohio,

not France), many former adversaries are now great friends, bound together as brothers in arms.

In 2015, Michigan (now Great Lakes) High Five qualified for Nationals for the first time. We intend to build upon our first Nationals appearance and solidify High Five as a national mainstay.

@boston\_ironside

In 2008, a formidable group of scallywags set a new course for adventure. Riding the fair winds and following seas, Ironside has stormed to Nationals every year since on the wings of rollicking shanties. This year, the crew has amassed talents both new and old to raise the flag, set the jib flying and let loose the

boom against their opponents. The team Admiralty has inspired a stalwart, if murderous, attitude amongst the crew. These sailors are hungry for gold, and woe is the enemy who stands in their path.

Ironsides would like to pay special attention to all of the pirate women, who have for too long been asked to plunder harder than men for their share of the loot we all found together. We invite you to join us as we batten down the hatches and weather this storm together.

#### PoNY FAQ:

**What is your favorite throw?** So many good throws to choose from – scoober, hammer, thumber – but we have to go with the “flick” otherwise known as the forehand. Tried and true. A modern classic.

**Favorite soda?** Thank you for asking and, WOW, great question. Of course, there are lots of wonderful sodas to drink in this world. But our favorite? Have to select a classic – Coca Cola Classic™, that is. It is the soda with the taste we like the best, and therefore it is our favorite.

**Favorite painting?** Another great, great question. With all of the terrific paintings to choose from, how can we pick just one? But, to us, The Mona Lisa is simply the best. And a true crowd pleaser. Fun Fact: The Mona Lisa was painted by none other than famous Italian artist Leonardo da Vinci.

@truckstopulti

We are a men's ultimate team from Washington, D.C. and Baltimore. Funny story, did you know that Washington, D.C. residents do not have a vote in either the House of Representatives or the U.S. Senate? Yet we pay federal taxes AND many serve in the U.S. military. Taxation without representation. Anyway, we've been to USA Ultimate Nationals every year since 2006.

We hope, along with D.C. women's team Scandal, to be a key part of putting and keeping our region on the map for top ultimate and Spirit of the Game.

@pghalloy

The Muff'n'Men team was founded in 2007 as the competitive mixed club team in Pittsburgh before competing as The Muffin Men. The team rebranded as Pittsburgh Alloy in 2016 for the program's 10th season and stands behind the idea of synergy: that the combined product is greater than the sum of its separate elements. Our program consists of talented players who are willing to invest in the program: learn new systems with new teammates, value personal development while helping teammates realize their own goals, and work hard for each other on and off the field. We want to have fun playing the game we love.

@ambiguouslygrey

Widely considered the most impressive championship run any D.C.-based ultimate team has accomplished in the last decade, Ambiguous Grey capitalized on five consecutive Book Dive championships (arguably the premier fall charity hat tournament in the DMV), catapulting themselves onto the club scene in 2011.

As the team matured, so did AG's team name and culture, driving its success with three Nationals appearances since 2013. In a city where being politically correct is paramount, AG changed its team name in 2013 slightly shortening to "Ambiguous" – a syntax change heralded as the most strategic decision since dropping the period from Dr. Pepper. Furthermore, after observing political gridlock from the cacophony of YAY-sayers and NEIGH-sayers in its home city, AG committed to work for their teammates. The results speak for themselves.

## G-UNIT

### GAINESVILLE, FL

Coaches: Christopher Lemons, Allen Lu

Captains: Christopher Lemons, Lisa Fitton

@guniultimate

G-Unit began in 2015, going undefeated in the unsanctioned tournaments it competed in. This fast start, along with perfect timing in 2016, convinced the team to come together to make a mark on the ultimate scene. Pulling players from teams all across Florida, G-Unit started the season with two goals in mind: 1) to enjoy playing ultimate with friends, and 2) to qualify for Nationals. Experience says these two goals don't go together, but G-Unit had set its course. Against the growing pains of women's and men's players learning to work together, G-Unit experienced both success and failure in its inaugural season. Now, against all odds and opposition, G-Unit is headed to Nationals in its first year, our two goals behind us. We love our teammates, and we love the game. And we know we may not be as cool as G-Unit the rappers, but we're probably more athletic.

Mischief. It means trickery, chicanery and spirited fun. It means winning games with our legs and, when our legs can't run any more, going the last mile with heart. It means always having more in the tank. It means putting everything on the line for our team and taking pride in being the best we are capable of

becoming. Above all, it means love and family.

Mischief was founded in 2003, and our goal is to foster a supportive and fun environment that motivates us to work hard, commit and sacrifice for each other to compete at the highest level. Mischief has been a consistent force in the mixed division for over a decade, and we are excited to make our ninth appearance at Nationals!

Who is safe and when? No One Is Safe Ever! NOISE began in 2009 by uniting players from the Madison and Milwaukee areas who were interested in playing more competitively. Since that first year, NOISE has been the top mixed team in Wisconsin, progressively finishing higher at regionals each season until becoming the first mixed club team to qualify for Nationals out of Wisconsin. The "tabletop" logo signifies that no one is safe, but we are NOISE in a literal sense as well. We love to be loud and hope you can hear us cheering from fields away. BOO CAT!

Defined by their core values of Passion, Practice and Sobriety, No Touching is thrilled to introduce the National Championships to their one-of-a-kind style of ultimate, and they demand to be taken seriously. Seriously. Self-described as the most exclusive club team in Minnesota, and famed throughout the upper Midwest for their complex defensive schemes and unpredictable offense, look for No Touching to carry an unconscionable streak of good luck throughout the tournament. Easily recognized for the regiment of children and toddlers that fill their sideline, and of course, by the iconic Banana Stand that follows them everywhere (unless it's too much of a hassle), No Touching is pleased to announce that their average age qualifies for the masters division. With their wealth of experience, history of mediocrity and enduring love of ultimate, they're looking forward to #makingnationalsfunagain.

## PUBLIC ENEMY

### DALLAS, TX

Captains: Jessica Gamwell, Jonathan Higgins, Paul Utesch,  
Alex Welcing, Darius Tse  
@UltiPublicEnemy

Before there was Public Enemy, the Dallas/Fort Worth mixed ultimate scene was a metroplex divided for several years. Following subpar regional finishes in 2014, the captains of feuding teams Identity Crisis and Flying Dutchman started hosting a competitive pick up with the intentions of improving players within the community while bridging the gap between the two teams. Over the course of the offseason, members of the teams became friends and resolved that we were better together. It was then that we formed our vision: to be a Nationals-viable team that is relentlessly competitive while not compromising spirit or good attitude. After a largely successful 2015 season, we attracted the attention of several higher-level players who shared and believed in our goals and vision. Public Enemy is now a collection of DFW's rowdiest individuals, nicest kids, try-hard extraordinaires, peculiarly unassuming nonesuchers and conch-loving hoodrats.

shame.

Two idiots (or friends) got drunk in a bar and decided to make a mixed team. Tragedy struck when they followed through. Combining forces with Brie Quigley, Nate Roth and Kelcie Glick, the foundation for shame was formed, and the ultimate world wept. The regretful crew is now 27 strong and is never not looking back.

Steamboat was formed in 2008 and is based out of Cincinnati, Ohio. In our ninth season, Steamboat remains one of the longest-standing mixed teams in the Great Lakes Region and draws players from southwest Ohio and beyond. We captured our second regional championship earlier this month in Rockford

to claim a bid to the National Championships, with our other Nationals appearance coming in 2013. The 2016 season has been one of the most successful in program history with a 36-1 record and championships won at five of six tournaments played (including the Elite-Select Challenge and Select Flight Invite of the Triple Crown Tour). We've been tested to get to this point of the season and hope that our experience has prepared us for the opportunity. It's anchors away as this Boat has sights set for Rockford again! #AllAboard #SFB2016

Brute Squad is just a bunch of athletes – athletes working tirelessly for each other. We try to be the best

we can be at the sport we love. We are honored to be taking the field in Rockford with TEAMmates, opponents and organizers who value gender equity in ultimate and are working towards finding a new path towards growth that does not inherently favor male athletes. We are excited for Nationals and the future of our sport.

The Squad's nine Jewish teammates are excited to celebrate #RoshHashanahinRockford with 1,200 of their closest friends. Prepare for WOOTSquad to come out in moments of joy and TOOTSquad to come out after meals. When Nationals is over, Kaputsquad will also be excited to return to the temperate October climate of Boston.

@PhillyGMG

The team was started in 2011 and has been the longest-standing competitive women's team in Philadelphia since the Philly Peppers dissolved in 2005. The team was started with the mission of encouraging, improving and sustaining women in ultimate in the greater Philadelphia region, and we are proud to say that in our fifth year, we continue to fulfill this mission. Two years ago, GMG made its first appearance at Club Nationals, finishing in 15th place. Last year, we took a very young team, including 10 college women, to regionals and challenged Scandal to a close game in the final round. GMG also was included in the All-Star Tour in 2015. It was an incredible experience for our team, as well as for the community, who came out in droves to watch (perhaps for the first time) very high-level women's ultimate. GMG is a team that works hard, has fun doing it and strives to create a community feel within the team as well as outside of the team.

Heist was formed in 2012 to provide women in the Midwest a greater opportunity to compete in the women's division. At that time, the only options were in major cities: Minneapolis and Chicago. Robyn Wiseman (Fennig), Corinne McKittrick (Wade) and Georgia Bosscher dreamt of providing an opportunity for women who aren't located in those bigger cities to compete against other top-tier women, while building community in the Midwest: Heist was born. Interest in and support for Heist grows every year, as we increase our competitiveness, commitment to growth and investment in ourselves and the team. We balance traveling to National-caliber elite tournaments with competing in regional tournaments to build women's ultimate in the Midwest. Cheese and rice! Let's go Heist!

Molly Brown, also known as "The Unsinkable Molly Brown," was an American socialite, philanthropist and women's rights activist. She became famous when, after surviving the 1912 sinking of the RMS Titanic in Lifeboat No. 6, she encouraged the crew to return to the capsized ship to search for survivors. As a

former resident of Leadville, Colo., Molly Brown has inspired our ultimate team to represent everything she stands for. This year, our team has been involved in the advancement of gender equity in ultimate. We believe all athletes should be valued equally and, as such, we support equitable coverage of female athletes. We know Molly Brown would have supported equity herself, and we are proud to wear her name on our jerseys as we compete for a national title this year.

## PHOENIX

### RALEIGH, NC

Captains: Michelle Ng, Rachel Rushing, Jenna Dahl  
 phoenixultimate.com  
 @PHXUltimate

According to mythology, the phoenix is a legendary bird that consumed itself by fire and rose alive from the ashes of its predecessor to live another era. In our short history, we have taken the cyclical lifespan of the phoenix a little too literally by burning and rising from our own ashes each season. But after last year's Pro Flight finish, it's safe to say this phoenix is on the rise.

 @SeattleRiot

Riot was founded in 2000 in the wake of the WTO protests. Since then, we've worked hard to promote women in the sport. We are athletes. We are coaches. We are USA Ultimate volunteers. We are ultimate business owners. We are advocates for the next generation of girls having ultimate role models and lowered barriers for participation. We believe that no athlete is inherently less valuable based on gender, but historically, female athletes have not been valued equally by society. Ultimate has the opportunity to be a sport which models gender equity on the field and in the ways in which our sport is showcased, is governed and allocates resources, which will help our sport will find a path towards growth that does not inherently favor male athletes.

# SPIRIT AWARDS

**Peter Farricker Spirit of the Game Award** – The spirit award in the men's division is named for Peter Farricker, a player who embodied Spirit of the Game to those who played with or against him. This award is given to a player in the men's division of the USA Ultimate Championship Series deemed to have exhibited personal responsibility, integrity and fairness combined with a high standard of playing ability. Each qualifying men's team nominates one player from its roster who best represents the Spirit of the Game. Each nominee is honored with a disc and a pin or set of Mardi Gras beads. The goal is that those wearing the Mardi Gras beads will be connected to Pete, each other and the Spirit of the Game, and become role models for their teammates and opponents. A selection committee selects one of the four semifinal nominees as the winner. Previous winners include Moses Rifkin, Andy Crews, Damien Scott, Jeff Eastham-Anderson, Allan Cowan, Chase Sparling-Beckley, Josh McCarthy, Robbie Cahill, Bart Watson, Matt Rebholz, Martin Cochran, Beau Kittredge, Danny Clark and Ashlin Joye.

**Kathy Pufahl Spirit of the Game Award** – The women's division spirit award builds upon the foundations of Spirit of the Game that are reflected in the Farricker Spirit Award: ability, fairness and integrity. The Kathy Pufahl Spirit Award also recognizes those individuals who give back to our sport and is presented to the player deemed to have exhibited personal responsibility, integrity and selfless contribution to ultimate, combined with a high standard of playing ability. Each qualifying women's team nominates one player from its roster as the person who best represents the Spirit of the Game and has contributed in a substantial way to their ultimate community. At the National Championships, each of the 16 nominees is honored with a memento reflective of Kathy's love of horticulture. A vote of the qualifying teams will determine the recipient of the Pufahl Award, which will be presented after the women's final. Previous winners include Vida Towne, Kati Halmos, Kristine Gill, Deanna Ball, Allison Boyd, Jody Dozono, Michelle Ng, Gwen Ambler, Lauren Casey, Nancy Sun, Leila Tunnell and Alex Snyder.

# SPIRIT CIRCLES

USA Ultimate has recommended post-game “spirit circles” to teams at the Youth Club Championships since 2010. It’s an idea borrowed from international competitions throughout the ultimate world. For years, American teams have traveled to world championships where they have not only done exceptionally well in each competition, but showed the international community the importance we place on respect for the game and their opponents. But American players have also learned a lot from competing against teams from other countries, and invariably one of the most positive parts of the international experience has been the tradition of the post-game spirit circle. While there are a number of ways to do this, here are some quick tips to get your team started:

- Following each game, rather than lining up to slap hands, the two teams gather into a circle, alternating players on each team, facing inward, with arms around the shoulders of the person next to you.
- One or two people (often team captains or spirit captains) on each team will talk briefly about the game. Usually the losing team goes first, then the winning team.
- Things to talk about can include how the game went, how your own team played, what the other team did well, who on the other team played well, and anything else that might be worth communicating...even if it's something you think could be done better (and don't forget to look in the mirror on this).
- After each team has had a chance to talk, the winning team takes a step into the circle and walks around counter-clockwise to slap hands with the players on the other team.

That's it! It's pretty simple and definitely an experience that brings teams together and puts the game and the experience in perspective. It's all about respect for each other and the experience of bringing out the best in each other through competition. It's also about building relationships and seeing opponents for what they really are: part of the same community that loves ultimate. Please note that this is not meant to replace other post-game traditions you may have (e.g., cheers, games, photos, gifts or trading gear). Good luck, and please let USA Ultimate staff and other event organizers how it goes!

# HEALTH AND SAFETY

Medical staff, including athletic trainers, will be on site at Tournament Central to treat injuries, handle emergencies and provide some preventative care. The event will provide standard athletic tape, pre-wrap, ice and some bandages. Other supplies, including special tape or bandages and anti-inflammatory drugs, must be provided by teams or may be charged by the training staff.

If there is an injury on a field that needs medical attention, inform a field marshal, and he or she will radio to the trainers.

If you have medical issues that require attention in the morning before play, please show up early to avoid long lines. The trainers will be at the fields two hours prior to game time each day.

## CONCUSSIONS

### EDUCATION

- USA Ultimate recommends the CDC “Heads Up Safety” program, a free one-hour online training: [cdc.gov/concussion/headsup/youth.html](http://cdc.gov/concussion/headsup/youth.html).
- USA Ultimate's participant waiver includes important information from the CDC regarding concussion safety: [usaultimate.org/membership/usa\\_ultimate\\_membership\\_forms.aspx](http://usaultimate.org/membership/usa_ultimate_membership_forms.aspx)

### COACHING REQUIREMENTS

- Coaches at USA Ultimate events are required to have completed a concussion awareness and safety recognition program (like the CDC program above or other local or state-recommended course). Coaches should not submit records of course completion to USA Ultimate, but should maintain records on-site while coaching.

### REMOVAL & RETURN TO PLAY

- All guidelines identified by the CDC must be strictly followed in the event of a suspected concussion.
  1. Remove athlete from play.
  2. Ensure athlete is evaluated by a health care professional trained in concussion diagnosis and management. Do not try to judge the seriousness of the injury yourself.
  3. If a minor, inform athlete's parents or guardians about the known or possible concussion and give them the fact sheet on concussion.
  4. Allow athlete to return to play only with permission from an appropriate health care professional.

## DOCTOR'S NOTE REQUIREMENT

If, during a USA Ultimate event, an athlete receives care at a hospital, medical clinic or doctor's office, or is referred to a hospital or doctor by event medical staff, the athlete is barred from further competition in that event until he or she provides a doctor's note, on letterhead or prescription pad, to event medical staff stating that the athlete is authorized to return to competition.

## HEAT, NUTRITION AND HYDRATION

- Heat-related illness occurs when body cooling by evaporation is limited. Sweating depletes the body's salt and moisture, which leads to dehydration. If a player recognizes any signs or symptoms of heat-related illness, he or she should treat the problem immediately.
- Signs and symptoms of heat illness can include changes in level of consciousness, abdominal cramps, nausea/vomiting, fatigue/tingling, chills, inability to spit, dry mucous membranes, decreased output and change in color of urine.
- Prevention and Treatment of Heat Illness
  - Avoid alcohol, caffeine and carbonated beverages.
  - Medications such as antihistamines, decongestants, certain asthma medications and diuretics can increase risk for heat illness. Avoid them if possible.
  - Avoid certain nutritional supplements (such as caffeine and ephedrine) that can dehydrate the body and/or increase metabolism and heat production.
  - Know your body — be honest! Are you fit enough to perform under current conditions?
  - Eat and drink (water AND sports drinks) optimally before, during and after play. Potassium is important (good sources include sports drinks, yogurt, grapefruit juice, bananas and oranges). Sodium is also important (good sources include sports drinks, vegetable juices, pretzels, nuts, cheese and crackers). After play, carbohydrates are important: foods such as potatoes, honey, cereal, white bread, corn chips, sports drinks, jelly beans, rice cakes, bagels, crackers and gummy candies).
  - Don't drink too much. Over-hydrating can be dangerous if it leads to a fluid and electrolyte imbalance.
  - Monitor your urine. Clear/copious = hydrated. Dark = Need water/electrolytes.
  - Be sensitive to prior illness. If you've been sick, your body may be more susceptible to dehydration.
  - Rest and cool down after play. Find shade, wet the skin, get in front of a fan or breeze.

## SIDELINE SAFETY

- Spectators and equipment must stay at least three yards away from the sidelines. Where there are buffer lines, respect them. Chairs, coolers, strollers, you, etc., must be at least three yards from the sidelines.
- If a player believes that an object on the sideline is not safe, he or she should inform event staff and refrain from playing until he or she is satisfied that safe conditions have been established.
- USA Ultimate and event staff reserve the right to move or remove objects or spectators from on or near the playing field if those conditions are, in the opinion of USA Ultimate or event staff, unsafe for players, staff or spectators.

## LIGHTNING GUIDELINES

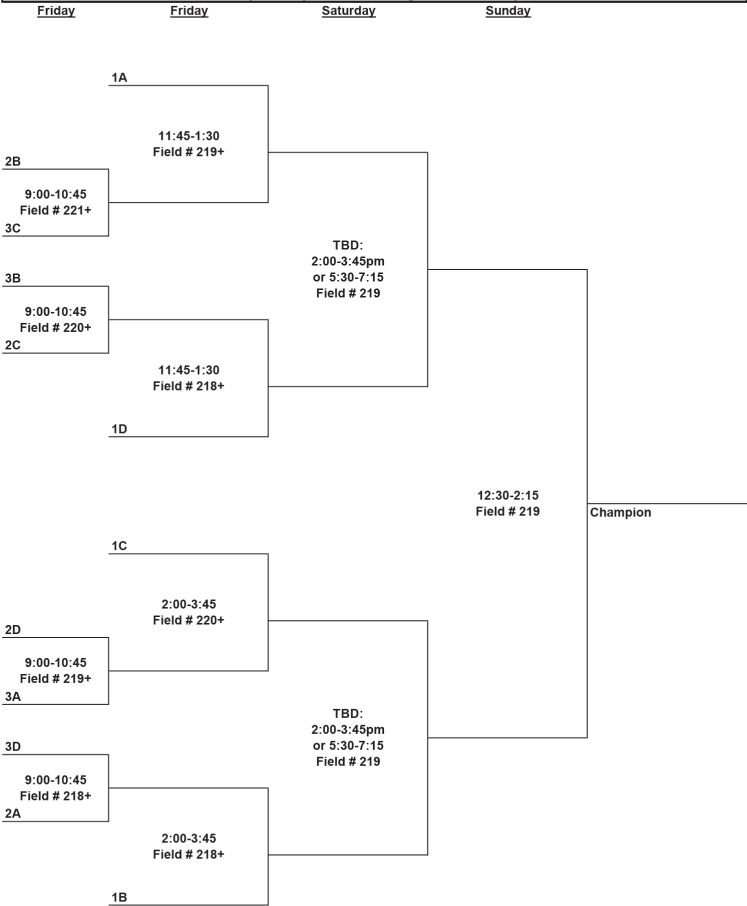

- Event staff will communicate with players and spectators via PA system and through field marshals equipped with radios if there is a lightning danger. Play then will be stopped, and everyone should seek shelter.
- Safe shelter for players and spectators at the field site includes any fully enclosed building or vehicle with a hard top and closed windows.
- Event staff will use the “flash-to-bang” method to determine when to send people to shelter. By the time the flash-to-bang count has reached 30 seconds, all individuals should be in a safe shelter location.
- If you can't get to a safe shelter, try to avoid being the tallest object in an open field or on open water. Avoid other tall objects, metal objects and water. Assume a crouched position with only the balls of your feet touching the ground, your arms wrapped around your knees, and your head lowered. Minimize contact with the ground. Do not lie flat.
- Avoid using telephone land lines. Cell phones are safe, provided the person has followed other safety guidelines.
- Event staff will indicate to players when play is going to resume. Team captains should meet at Tournament Central to receive instructions for resuming play and any schedule modifications.
