- **HALF TIME:** 10 minutes
- **HARD CAP:**

There is NO SOFT CAP! When the Hard Cap horn sounds finish the point in progress. A point begins immediately after the previous score. If teams are tied at the end of the hard cap point, then play one additional point. Whichever team scores that point is the winner. Hard Cap is regulation play and however many timeouts a team has left from the 2nd half is the number of timeouts they have in the hard cap.
- **OVERTIME:**

Overtime is defined when two teams are tied at one less than the game total (tied 12-12 in a game to 13 or 14-14 in a game to 15). In overtime, each team has exactly 1 time out, regardless of how many used or unused timeouts were still available from regulation play.
