HALFTIME: 10 Minutes

Hard Cap: There will be no soft cap. When the Hard Cap horn sounds finish the point in progress. If tied at the end of the point, then one more point will be played. Whoever scores that point will be the winner.

Overtime: Overtime is defined when two teams are tied at one less than the game total (tied 12-12 in a game to 13 or 10-10 in a game to 11). In overtime, each team has exactly 1 time out, regardless of how many used or unused timeouts were still available from regulation play.
