

IWSP Athletic Field Rules and Regulations for 2018

I just wanted to go over a few IWSP park rules for tournaments before this weekend's event.

1. Cars are permitted to park on the south and west sides of the gravel drive up (highlighted in yellow on the attached map) until the one lane turn around located on the southern berm (highlighted in red on attached map). Park in the yellow highlighted area - - NO PARKING in the red highlighted area. Cars must remain on the gravel **and all cars must be removed from gravel drive by 30 minutes after play has concluded.** **No cars are permitted to park on the grass on any part of park property.**
 - a. Additional parking is located in the main lot.
2. The Community Center building will be closed, but can be opened for emergency weather situations, if necessary.
 - a. Portable restrooms are located next to the athletic fields.
3. Any "pop-up" tents need to be weighed down.
 - a. Just staking the tents into the premier fields will not be enough. The sand that is under the grass does not hold stakes as well as clay dirt would.
 - b. Tents cannot be staked into the premier fields if the stakes are longer than 6" due to the risk of hitting irrigation lines.
 - c. We lost several tents at events last year and it is usually a little windier here than everywhere else.
4. Please make sure to let teams know that all garbage needs to find a garbage bag, can or be packed out. **This includes organic materials such as banana peels, orange peels, and apple cores.**
 - a. Recycling containers will be located throughout the facility. Any recyclable material will be accepted as long as it is clean and empty of any food/liquids when being placed in recycling container.
5. Dogs are allowed at the park, but they must be leashed and you must pick up waste.
6. IWSP Staff will have a two-way radio to use for communication with your event.

See you bright and early Saturday morning!

Skye Mackenzie,

Park Manager

Indianapolis World Sports Park (Formerly Post Road CC)

Franklin Township Park, Warren Little League Park, Paul Ruster Park

1313 S. Post Rd.

Indianapolis, IN 46239
