Medical Services provided at tournament

The trainers and EMTs at the fields will provide taping, diagnostics, emergency and first aid services. They will be on site located by 22nd 90 minutes before the first scheduled games each day (and shortly after at the secondary site between by 32nd) and will be on site through the dinner on Saturday and the awards ceremonies on Sunday.

Where will the medical staff be at the event

They will be on site located next to the field by 22nd and at the satellite location by 32nd)

How can teams contact the medical staff (phone, radio)

USA Ultimate and Volunteer field marshals will have radios on a channel that the medical staff are able to access. In event of a medical emergency, please call 911. If something does not rise to that level, but a person with a radio is not immediately visible, please call USA Ultimate Event Manager David Raflo at 952-221-4477 and he will direct medical to come to your field.

How will event staff communicate weather, emergency & schedule changes to teams

Staff will communicate over public address (near the HQ area field by 22nd), radios, and utilize the Pocket Team app.

Any other relevant information specific to your tournament, if applicable (Facility specific weather policies)

In the event of lightning, players should seek shelter in their vehicles, hotels, or businesses.

Insurance - USAU provides participant accident coverage to injured participants at a USAU event. They can submit a claim electronically using the QR code.
