Medical Services provided at tournament

We will have a large medical staff of trainers overseen by physicians. Staff will provide with preventative care like taping and also will be able to assess and evaluate injuries.

Where will the medical staff be at the event

Medical headquarters will be in the pavilion located north of Lot D between fields J2 and K1. There will be other locations during the event depending on field utilization at different times.

How can teams contact the medical staff

Volunteers will have radios that can reach medical staff.

How will event staff communicate weather, emergency & schedule changes to teams

Communication will be by radio to on-field volunteers. PA System will be used when available. In addition, we will utilize the website and the event Twitter hashtag, #USOPENCHAMPS. Check @MinnesotaUlt and @USAUltimate Twitter feeds for updates.

Any other relevant information specific to your tournament, if applicable

In the event of a lightning dealy, seek shelter immediately. Tents and field pavilions are not adequate shelter. Seek shelter inside a vehicle or building.
