Field Rules

Ramblewood Soccer Complex, 10200 Nation's Ford Rd, Charlotte, NC, 28273

A Number of Important Facility Rules and Regulations: Take a look.

1. DO NOT get on the grass part of the fields until Charlotte Ultimate has given us the OK and that will be communicated by one long blow of the horn, ~8:15 AM.
2. The **space in between the ultimate fields is NO ACCESS for players, spectators or fans. It is for observers and media only.** If the P&R staff sees anyone in this area they will likely ask you to leave the complex. I have no say in that and it is their rules so please abide by them or we will have to ask you to leave the facility.
3. Dogs on a leash at all times, no alcohol or drugs, NO Staking anything into the grass (tents, chairs, etc...). Bathrooms are in the two buildings and the port-o-johns
4. Trainers will be at HQ and any non-serious injury should come to the trainers. If there is a serious injury let us know and we will bring trainers out to the fields to assess.
5. Charlotte Ultimate is happy to be a partner once again at this event and we greatly appreciate your respect for the facility and the rules. We have a 13 year history for this event and we want many more to come.
6. **SWAG for volunteers** is greatly appreciated as they volunteer their time over the weekend to support this event.
7. **Food trucks** will be here at 11am and will stay till about 5pm. Please support the local food trucks!
8. Please **DO NOT** wear detachable cleats on the fields this weekend.
9. Captains meeting will be at 8:30 AM at Tournament HQ

Score Reporting - PLEASE FOLLOW

Please **text** your scores to our TDs during the event, Kartik or Adam. Make sure to put the **school name** of both teams and the score, and report scores after each round. Please be prompt with this so we can keep the schedule up to date.

Kartik Sethuraman 336-210-7005
Adam Bostian 704-307-3192

Weather Policy

We will only face cancellations if the park sees heavy rain and pooling on the fields. This looks to be unlikely, but we will notify everyone as soon as possible if delays/cancellations become a reality.
