7. Once you register, you will be asked to answer a few questions.
  - If you are not a PDGA member, type “NA” for that question
  - If you are not participating on a team, type “NA” for that question
  - Every player must read the PDGA Covid waiver and affirm that you have done so for the final question

8. You will then be directed to the payment page and given the option to pay for registering for the event alone, or register for the event and purchase an ultimate disc golf disc. This is where you will purchase a one-time event membership if you are not a PDGA or USAU member.

- **For USAU members** - The one-time membership will show as “paid in full”.
- **For PDGA members** - Once we confirm your current membership, we will apply a USA Ultimate membership to your USAU account. Within 24 hours, you will receive a “You’ve joined the national USA Ultimate community!” email, confirming your new membership, and you will be able to proceed with registration without paying the one-time event fee.
